

DIGITAL MUSIC SERVICES

EXPERIENCE THE MAGIC AND CONVENIENCE OF ONLINE MUSIC FOR BUSINESS.

WHAT IS MIX PRO?

Mix Pro is our exciting new StreamingPlus™ music solution, designed specifically for business.

Enjoy easy access to fully-licensed music, with the ability to personalize your soundtrack at the click of a button.

Simply Connect. Simply connect our internet-enabled device to any existing speaker system

Designed specifically for business. Fully licensed for commercial use with NO ads or interruptions. Access to millions of tracks from the world's largest digital archive. Programmed by Music Designers and screened for lyrics and content.

More reliable playback. With Mood's exclusive StreamingPlus™ technology, your music stream is pre-buffered to offer an ultra-smooth and flawless listening experience.

Easy to use. Intuitive controls designed for business users. No advanced tech skills required. Login, select your favorite genre(s) and click play.

Customizable. Choose up to five programs and use our exclusive Mood Mix board to adjust your mix. Like or block songs to fine tune your sound.

Flexible Scheduling. Need different kinds of music for different times of day? Want Friday night to sound different than Sunday afternoon? No problem. Mood Mix lets you save different mixes and makes it easy to schedule what to play and when.
